TERMS & CONDITIONS

Season Pass Terms & Conditions 2011

In these Terms we have used "we" or "us" to refer to Treble Cone and "you" to refer to the person or family issued with a season pass. By purchasing a season pass, you are deemed to accept these Terms.

1. The season length is subject to snow, weather and market conditions and the season may be shorter than indicated. We give no warranty as to the length of the season, operating hours, number of lifts operating at any time or to the operation or otherwise of an area on any given day.

2. When you apply for a season pass you must supply a photo taken within the last 12 months, showing a front view of the face, head and shoulders. No sunglasses or hats to be worn. Child (up to 17 years) must have their photos updated annually.

3. Tertiary students must be enrolled full time with an Australasian tertiary institution; we define full time study as a minimum of 25 hours per week for the duration of the course (minimum of 32 weeks). To uplift your pass all students must supply valid student photo ID issued by your place of study for the current year and proof of enrollment and attendance in a full time course. ISIC cards are not accepted.

4. The Family Season Pass is available to families comprised of:

- one adult or two adults who live together and are either married to each other or in a relationship in the nature of marriage; and
- their children aged 17 or under or still at high school at 31st May 2011. All of the children must reside with the adult or adults and one or both of the adults must be the legal guardian of each of the children.

When you apply for a Family Season Pass you must provide adequate proof of the required family relationships. Such proof may include birth or marriage certificates, guardianship or adoption orders, utilities bills etc. If it is discovered that

your Family Season Pass was obtained as the result of false information in your application the pass will be revoked and no refund given or claimable.

5. Subject to any rights you may have under the Consumer Guarantees Act 1993 and otherwise there will be no refunds on season passes except in the following cases:

(a) We will provide you with a full refund of the cost of your season pass if the ski area does not open for the 2011 season.

(b) We may provide you with a partial refund of the cost of your unlimited season pass if you suffer an injury or other medical condition that severely limits your ability to use the pass. To apply for a refund you must submit a written application to us with supporting medical certificate. Refund applications will not be accepted more than 4 weeks after the pass holder's first day on snow. Any refunds will be calculated based on the number of days used (if any) from the pass holder's first day on snow until the date the refund application is made as follows:

Number of days	Maximum refund
6 days or less	50% refund
(OR In the case of 5 day Season passes, 1 day or less.	
In the case of 10 day Season passes, 2 days or less)	
7 to 9 days	40% refund
10 to 12 days	30% refund
More than 13 days	no refund
(OR In the case of 5 day Season passes, more than 2 days.	
In the case of 10 day Season passes, more than 3 days)	

Where a person named on a Family Season Pass suffers an injury or other medical condition that severely limits their ability to use the family pass, any refund will be pro-rated according to the number of people named on the Family Season Pass.

All refunds are at the discretion of Treble Cone Management and our interpretation of this clause 5 is final.

6. All passes are non-transferable and are for your personal use only. If someone else is found using your pass, without its loss recorded in our system, you will be charged a fine amounting to 50% of the non-discounted pass. The user of the pass will be fined the same amount. We reserve the right to decline to reissue the pass or to issue you passes in the future.

7. All lost or stolen passes must be reported to the ticket office immediately, please call 03 443 7443. An administration fee may apply to replace any card that is lost, stolen, damaged or destroyed.

8. Should you arrive at the ski area having forgotten or left your pass behind, you will be required to purchase a day pass at \$20.00. The season pass will be deactivated for that day. Transfer of this day pass will result in a loss of privileges for you and the user of the pass. This option is available for a maximum of 2 days in the season.

9. All pass holders must abide by the Snow Responsibility Code displayed on the mountain. Misconduct will result in the withdrawal or suspension of the pass with no refund given. Misconduct includes, but is not limited to, disregard and breach of closed areas, excessive speeding slow zones, reckless or dangerous skiing or riding, unsociable or aggressive behavior or skiing or riding under the influence of drugs or alcohol.

10. These Terms apply in addition to our Mountain terms and conditions, which are available online at www.treblecone.com/terms-and-conditions/. Please Note: Photo ID may be requested when collecting your pass.
